**Vancouver, B.C., October 24, 2022 - Network Media Group Inc.** (TSXV: NTE) (OTCMKTS: NETWF) is pleased to announce that it will be present at the LD Micro Main Event XV Investor Conference being held at the Luxe Sunset Boulevard Hotel in Los Angeles, CA on October 25 - 27, 2022. Tim Gamble, a valued member of Network's Board of Directors, will be giving the presentation.

Network's Tim Gamble commented, "Chris has been a long-time fan and friend of Network, and is a remarkable individual who is constantly trying to improve and evolve the investing landscape. We enjoy participating in LD Micro's conferences and find value in meeting both new and existing shareholders while executing on our corporate mandate to raise our public profile. With Chris' creative brilliance, we have something special planned for this year's event, and we look forward to this unique opportunity to showcase Network's business and meet interested investors."

"Fifteen years ago, we set out to create an event that could benefit our entire industry. It wasn't fast or easy, but we were honorable in our dealings, and worked our tails off to ensure a wonderful time for everyone involved. Today, our community could not be larger, stronger, and more united, as we go through these difficult and turbulent times together. The Main Event is about learning and connecting, and it is a hell of a lot more fun than sitting next to your computer," stated Chris Lahiji, President and Founder of LD Micro.
