NETWORK MEDIA GROUP ANNOUNCES RESULTS FOR THE FISCAL YEAR ENDED NOVEMBER 30, 2014

VANCOUVER, CANADA, March 30, 2015 – Network Media Group Inc. (“Network” or “the Company”) (TSX: NTE.V) announced today its results for the three and twelve months ended November 30, 2014.

The Company reported a loss of \$103,384 (\$0.00 per share) for the year ended November 30, 2014, compared with a loss of \$1,063,509 (\$0.02 per share) for 2012. For the three months ended November 30, 2014 (fourth quarter), the Company recorded income of \$94,119 (\$0.00 per share), compared to a loss of \$385,139 (\$0.01 per share) for the fourth quarter of 2013.

The improved results are directly attributable to the increased levels of production that Network has experienced over the year. It released two icon documentaries, *I Am Steve McQueen* and *I Am Evel Knievel*, and commenced production on two others during the year.

Executive Chairman Robert Pirooz commented, “Our focus on expanding our customer base for our content in the United States and internationally has resulted in interest and sales of icon documentaries to additional U.S. broadcasters that we hadn’t worked with before, giving us more outlets for our films and the resulting increase in production and revenues.”

A more detailed analysis of the other components of the Company’s performance can be found in its Management Discussion and Analysis as filed on www.sedar.com.
